Post Workshop Checklist

You have viewed the Education Abroad Workshop, so you are now able to use the resources and tools below to plan for your experience abroad. Use this list to keep track of what to do next, and when. Remember that you can always refer back to the information in the [workshop](#).

PLAN	Due Date	Steps	✓
		Verify your eligibility to study abroad.	
		Create a Profile by logging in to the Education Abroad website .	
		Define your goals for participating in Education Abroad by assessing your academic and personal needs.	
		Explore education abroad in your major or minor by using the Major Advising Sheets .	
		Discuss plans with your Academic Advisor; confirm your university and departmental requirements, and learn how to integrate the credits you will earn abroad.	
		Research program(s) to fit your needs and goals and save them to your Profile.	
		Plan your finances : Compare costs, confirm resources and look into additional funding.	
		Identify application deadlines for program(s) and scholarships . (They might be different!)	
		Meet with an Education Abroad Advisor if required and/or desired. Schedule your appointment online (instructions in the Workshop).	
	Apply for or renew your passport (if your current passport expires less than 6 months after your return). Do you need a visa?		
	International students: meet with an International Student Advisor to discuss re-entering the US after your program. Research visa requirements for your intended host country.		
	Investigate health and emergency insurance requirements . Talk to your doctor about managing any pre-existing conditions (including prescription medications) while abroad. If you require special accommodations, please disclose early!
